

Executive Board Meeting: May 19th 2020

Meeting called to order at 7:17pm by Darcy Gillaspy via zoom Video Conference.

Attendance: Kristina Roswadaski, Justin Roswadaski, Brittany Singhas, Kevin Couch, Darcy Gillaspy, Linda Horsley

3v3: Field usage and organizing for 3v3. We will wait to hear from the school district "officially" to determine how to proceed.

Coaches: Justin stated coaches are reaching out about participating in out of state tournaments and which players are on which team.

State Guidelines with Spring Refunds: We are responsible and liable for this plan. We need to create a general rule of practices and such to enforce. We need to recommend a plan to the state before players/coaches can practice. We have to figure out a way to guarantee we are following protocol. Suggestion: Come out with a statement saying that we cannot comply with the state regulations so we will wait until June 15th in order to determine if competitions can happen. Recommendations: Refund all except for \$50 for Spring season. Raffle ticket tourney money will be used to pay up accounts and then rest go towards uniforms.

Spring Registration: The number of players that signed up for just Spring Season is 42 players.

Coaches Equipment: We will order sample sizes to see how it fits. Then we can also have them embroidered.

Website: Proposal was sent to board members. Brittany made a motion to pay Kellee on a month to month basis until Annual Budget Meeting for website maintenance. Kristina seconded the motion. The motion was agreed on by all members.

Proposed Board Meeting open to general public June 15th
